(Project Name)
4. Contractor must be thoroughly familiar with the original Notice of Intent (NOI) filed by (owner/operator name) \_\_\_\_\_ with the Oklahoma Department of Environmental Quality. Contractor must also be thoroughly familiar with, and adhere to, the Storm Water Pollution Prevention Plan (SWP3) and the Best Management Practices (BMP) on file at the following location: (owner/operator name) \_\_\_\_\_.

The contractor is certifying below that they assume all physical responsibility for any and all construction activities performed by the contractor or under the direction and control of the Contractor, to avoid or eliminate any actual or potential adverse effects upon the environment pertaining to the properties listed in Item 3 above.

### **Certification**

I certify that I understand the terms and conditions of the Oklahoma Pollutant Discharge Elimination System Act (OPDES) General Permit that authorizes storm water discharges associated with construction activity from the construction site identified as part of this certification. I have read and understand the Owner/Operator Notice of Intent and Part I.B eligibility requirements for coverage under the general permit for storm water discharges from construction activities, including those requirements published in the modified OPDES General Permit OKR10 of August 13, 2012, and Storm Water Pollution Prevention Plan (SWP3) and Best Management Practices (BMP). I agree that as a contractor, builder, regular supplier, or a support service company, I am responsible for installing and/or maintaining the appropriate pollution prevention measures that I am responsible for according to the agreement I have with the permittee.

I understand that continued coverage under this permit is contingent upon maintaining eligibility as provided for in Part I.B of the permit.
